

Elementary Teacher

Mount Royal Academy in Sunapee, NH is seeking a *full time*, elementary teacher for the 2021-2022 school year.

Humanities Teacher

Mount Royal Academy is seeking a *full time*, humanities teacher for grades 6-12 for the 2021-2022 school year.

High School Spanish Teacher

Mount Royal Academy is in need of a *part-time* Spanish instructor for the 2021-2022 academic year. Candidates should have previous teaching experience at the junior high or high school level and a passion for the content area.

High School Science Teacher

Mount Royal Academy is in need of a *part-time* science instructor for the 2021-2022 academic year. Candidates should have previous teaching experience at the junior high or high school level and a passion for the content area

Applicants for any position should be familiar with classical curriculum and pedagogical methods. All **full-time** teachers must be practicing Catholics and willing to profess an oath of fidelity to the Magisterium of the Catholic Church.

Candidates should have the desire to share their faith through example and teaching, and the ability to see the potential in all students. Exceptional interpersonal, written, and oral communication skills are necessary. Teaching core subjects (religion, language arts, math, history, and science) is required. A familiarity with Latin is preferred. The candidate should also be willing to work collegially with faculty members and school leadership to explore effective and creative methods of instruction, assessment, and student support.

Mount Royal Academy is an independent Catholic school enrolling approximately 200 boys and girls in grades PreK - 12. We offer a dynamic teaching environment with small class sizes and a supportive community.

Applicants must complete the [Diocesan Teacher Application](#) and forward it along with a letter of interest, resume, college transcripts, and two letters of reference to Lisa Sweet at the address below. Electronic materials accepted at: lsweet@mountroyalacademy.com
